

**CIO Meeting  
May 25, 2005**

Meeting called to order by Murphy at 1:02pm

**Introductions and Round Table**

Dale Anthony, IDPH, to discussed their Disease Prevention project currently in process.  
Proof of concept going on now  
Pilot to completed by end of August  
Seamless end to end transmission of data

Discussion then moved to topic of pandemic flu (e.g. Avian Flu).

- COOP/COG plans need to address staffing issues, not just HW and SW.
- Lesa Quinn, Dale Anthony, and John Gillispie are going to work with others to set up a desktop exercise for all state agencies. Timeframe would be late summer or early fall.

Gast discussed new drivers license system.  
Not in production yet  
Currently testing for compliance  
July 3rd is estimated "go live" date

**Subcommittees:**

Security (Quinn)-Met May 10<sup>th</sup>  
Had low turnout, and really need to get people there  
Discussion of subcommittee direction, sharing of information and ideas, research, etc.

Strategic Planning (Gast)-No report

Education and Emerging Technology and Communication (Roeder-Grubb)-

- Met May 10<sup>th</sup>
  - Working on creating an RFP library
  - Had DAS staff come talk about using 1/3 as an RFP resource.
  - Will continue discussions and maybe pilot in the fall
- If anyone is interested in Microsoft topics or education, let me know, as they are willing to try to do workshops.
- Infopath workshop is scheduled for June 14, JB room 165

**JCIO Update**

Workstation Administrator Group (WAG) presented by Gast

- See handout
  - CIO established formal committees. Others are Server Administrator Group; Network Administrator Group and Security Team
- Each group should have at least one CIO rep on it for communication purposes
- Chair will be appointed by the CIO Council and will set up first meeting in July

PC Purchases (Gillispie)

Intel chip is due out in October

Deferring RFP until after that to avoid needing to change configurations

#### JCIO Update

Continue to share issues  
SOA moving forward

#### Monitor disposal with IPI

Should pick up within 5 days, else call Roger

#### Pooled Tech

Can fully fund FY07 projects with carry over and other funds  
New reporting requirements needed  
FY08 will have same application, due in early August

#### TGB

Requested a standard for Intellectual Property (custom developed)  
Need permanent Right to Use as part of contract

#### CIO Summit

- Good feedback
- Can we “piggy back” on annual conference of Iowa Assoc. of Counties and “League”?  
Would be in November and May
- 4.1 rating overall (5.0 scale)

#### SOA

Please participate in upcoming meetings  
Business staff too!

#### ICN Update

Vicki Wallis presented on ICN future  
See handout

#### IN./UT Board (Quinn)

See handout

Meeting adjourned at 2:50pm
